Wow! look at those OWC terms! Wonderful flat off-grid parcel, nicely treed with juniper and pinon. Varied terrain from rocky to small meadows and mixed vegetation. Great location to build your small home (minimum of 320 square feet) or just camp periodically with your RV. Easy car access with nice Apache County maintained dirt roads all the way to 8111/Frederick Dr which is not maintained. Come watch the sun rise and set through the trees!
